

NorthStar Enterprise

NorthStar Desktop v3.5.6

NorthStar Desktop v3.5.6
Installation

**NorthStar
Desktop
v3.5.6
Installation**

NorthStar Desktop Installation Instructions:

This documentation is designed to assist users installing the NorthStar Desktop software.

Note: Please review the NorthStar Desktop Minimum Requirements documentation, prior to running the installation. A copy of the requirements can be found on the NorthStar Website: <http://www.northstarenterprise.com>. If you do not have a user name and login for the website, please contact your CBS representative or local NorthStar dealer.

**Upgrading
from a
Previous
Version**

Important: Users upgrading from a previous version of NorthStar Desktop or Quick Reports version 3.47 and above:

Backup your NorthStar Desktop Databases before running the upgrade. The directory is C:\QREPORTS.

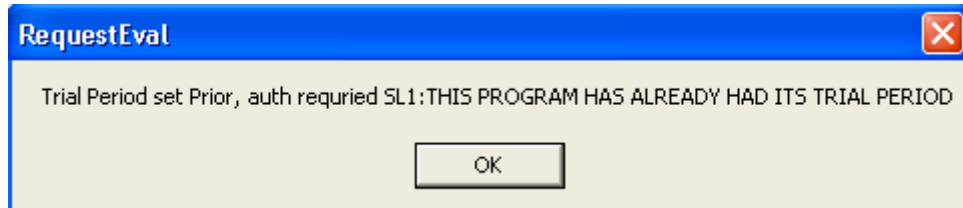

Several enhancements have been made to the POSitouch Time and Attendance executables. This version of Desktop requires certain dated executables from Positouch. Below is a list of the files and the dates. Contact the support desk to acquire the latest files.

Required (dated as shown or newer):

| | |
|--------------|------------|
| CHKDBF32.EXE | 04/24/2006 |
| POSIDBFW.EXE | 05/05/2006 |
| RDCDATA.STR | 11/02/2005 |
| TA.EXE | 02/20/2002 |
| TACONVER.EXE | 02/20/2002 |
| TADBF.EXE | 12/27/2006 |
| TADBFW32.EXE | 12/27/2006 |
| TAEDIT.EXE | 02/20/2002 |
| TAFIX.EXE | 02/20/2002 |
| TAPURGE.EXE | 03/22/2006 |
| TAREDO.EXE | 03/22/2006 |
| TAREPORT.EXE | 02/20/2002 |
| TARESET.EXE | 02/20/2002 |
| TARW.EXE | 03/09/2007 |
| TAW.EXE | 02/15/2007 |
| TAXML.EXE | 02/19/2007 |
| TAZINC.EXE | 03/08/2000 |
| TA_FEED.EXE | 02/12/2007 |

Upgrading from a Previous Version (Continued)

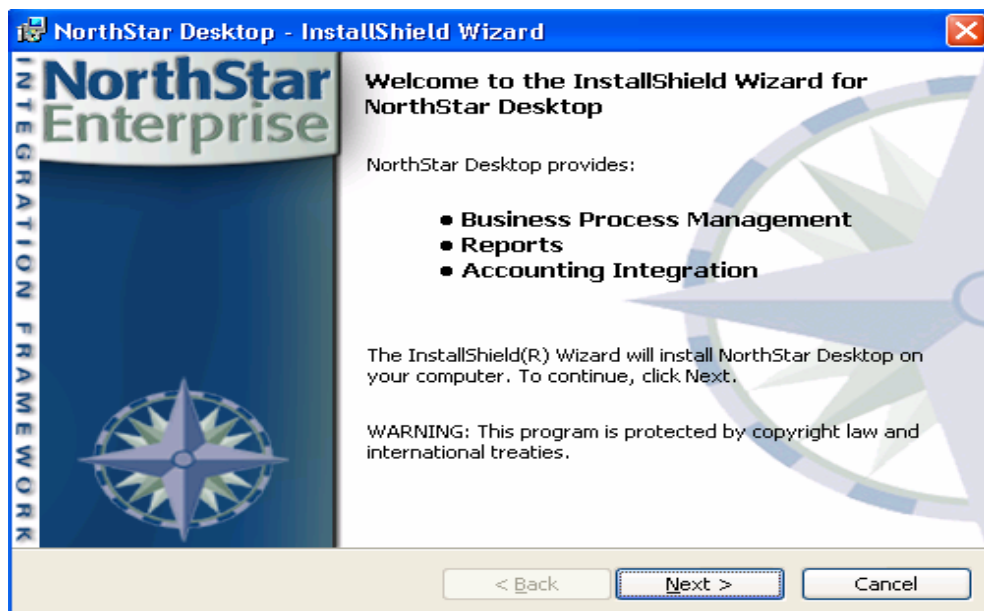

Note: Users upgrading from a previous version may see the following message. The installation is checking for a Desktop license. Click through the error message to complete the setup.

Installation Notes:

You must be logged on as an administrator or a member of the Administrators group. Exit all applications. It is recommended that you do not run unnecessary background applications while installing.

1. Download the .msi installation package to a directory on your hard disk.
2. Run the installation package by double-clicking it.
3. At the Welcome Screen click the **Next** button.

1. Review the **End User License Agreement**. You can also print the EULA.
2. If you accept the terms, click **Next**.

Configuration Assistance

Help Documentation

The installer copies all the application files to the appropriate locations, but you will still need to take additional steps to configure the application for your particular business environment. Please consult the Help Documentation to familiarize yourself with the setup of the features.

Help Documentation can be found online at <http://www.northstarenterprise.com> or from the Desktop application.

1. Open the NorthStar Desktop icon on your Desktop after installation.
2. From the **Help Menu**, click on **Help Documentation**.
